The IIT Academy is pleased to advertise for a part-time Arabic teacher position at its elementary Islamic school in Toronto, Ontario. This position requires the teacher to have a passion for education and is willing to dedicate himself/herself to nurturing young minds with values that are critical to the development of Islamic identity and civic responsibility.

The IIT Academy is an elementary Islamic School established by the Islamic Institute of Toronto, offering JK/SK, and Grades 1-8 program. The Academy offers the full Ontario curriculum in addition to Arabic Language, French and Islamic Studies. Our vision is to produce students who are fully conscious of their accountability to God, confident in their identity as Muslims, and ready to fulfil their obligations as citizens of Canada.

We are seeking a highly motivated and passionate Arabic teacher for Grades 4 to 8. We are looking for someone with exemplary classroom management skills, high expectations for all students, and a commitment to continuous improvement.

## KEY ACCOUNTABILITIES

- Instruct Arabic lessons as assigned by the head of the department
- Develop engaging and tested Arabic language learning content for students
- Develop and implement appropriate assessment techniques for student learning and continuous improvement
- Play a significant leadership role within the school community, providing support to fellow teachers as well as being a role model for students both within and outside of the school environment
- Assist in consolidating the position of the IIT Academy as a leading institution within the GTA and in enhancing its standing as a model school for nurturing young minds
- Facilitate competitions amongst Islamic and other schools in the City to enhance the students' competitiveness and nurture other life skills
- Able to assess/observe students with learning or developmental disabilities
- Foster a culture of respect, values and fraternity among students and staff

## SKILLS, KNOWLEDGE & EXPERIENCE

The successful candidate must have:

- Two or more years of experience teaching Arabic Language in a similar environment
- Ability to address the four learning competencies (reading, writing, speaking and listening)
- Experience in integrating learning technology into teaching programs
- Excellent English speaking and communication skills to explain lessons effectively
- Be eligible to work in Canada
- Working knowledge of internet and web-based applications for research and teaching
- The ability to teach French is an asset

- A diploma, degree or other equivalent education certification from a recognized college or university
- Superior classroom management skills

## SALARY

The IIT Academy offers a competitive salary structure that is based on qualification and experience.
