IIT Summer Day Camp & IIT Youth Leadership Camp  
Check [www.islam.ca](http://www.islam.ca) For Details!

In accordance with the decision of the Fiqh Council of North America ([www.fiqhcouncil.org](http://www.fiqhcouncil.org) and [www.isna.net](http://www.isna.net)), we will observe the first day of Ramadhan on Wednesday May 16th and Eid ul-Fitr on Friday June 15 insha Allah.

## Ramadhan Mubarak!

On behalf of the Islamic Institute of Toronto, we would like to take this opportunity to wish you and your family the very best during the blessed month of Ramadhan.

Ramadhan is a time for spiritual fulfillment and social cohesion; an opportunity to immerse ourselves in the many acts of worship that will bring us closer to Almighty Allah and help us to realize our full potential as servants of the Beneficent Lord.

May Allah accept our fasting, prayers, charity and all acts of good, and forgive us for our shortcomings and transgressions.

IIT Shuyukh

يَا أَيُّهَا الَّذِينَ آمَنُوا كُتِبَ عَلَيْكُمُ الصِّيَامُ  
كَمَا كُتِبَ عَلَى الَّذِينَ مِن قَبْلِكُمْ لَعَلَّكُمْ تَتَّقُونَ

O You who have attained to faith!  
Fasting is ordained for you as it was  
ordained for those before you,  
so that you might remain  
conscious of Allah.  
(2:183)

• DU'A WHILE WITNESSING THE NEW MOON •

اللَّهُ أَكْبَرُ اللَّهُمَّ أَهْلُهُ عَلَيْنَا بِالْأَمْنِ وَالْإِيمَانِ  
Allahu akbar, Allaahumma ahillahu 'alaynaa bi  
al-amni wa al-imaani

(Allah is Great O Allah! May this month be a harbinger  
of peace/security and enhanced faith for us all)

• DU'A FOR BREAKING FAST •

اللَّهُمَّ لَكَ صُمْتُ وَعَلَى رِزْقِكَ أَفْطَرْتُ

Allaahumma laka sumthu wa 'alaa rizqika aftarthu  
(O Allah! For Your sake I fast; and I break my fast  
with the food You have provided).

Please note that prayer timings for the month of Ramadhan are based on the research findings of Shaikh Ahmad Kutty and published on his website [www.askthescholar.com](http://www.askthescholar.com).

These timings are based on the concept of flexibility in determining the timings for Fajr and Imsak and are in accordance with the Prophet's Sunnah. They differ from standard calendars published which use a 15 degree angle of the sun before sunrise. Our timings are based on a more lenient 12 degree angle and are consistent with research by other renowned scholars. Muslims who wish to observe the timings published by other mosques and organizations are free to do so.

Please note that the Athan will be called 10 minutes prior to the published Iqaamah Times.
