Registration eligibility

- Registration is open to Canadian citizens. Permanent Residents of Canada are eligible, provided that they have a PR Card that was issued at least one year prior. *Permanent Residents with less than one year in Canada are not eligible to register for Hajj* (per the Saudi Embassy).
- **Registration is closed to anyone who has performed hajj in the last 5 years** (i.e. since 2011). (There is an exception for men *servicing as mahram* for women who have not performed hajj in the last 5 years.)
- **If you intend to travel on anything other than a Canadian passport, please advise us of this prior to registration.**
- **As per Saudi regulations, women under 45 cannot go for hajj without being accompanied by a mahram.**

Why are payments in US dollars?

The Saudi Riyal is pegged to the US dollar and all costs in Saudi Arabia are billed to Dar El Salam Canada Inc. in US dollars.

The US dollar has had a constant exchange rate against the Saudi Riyal for many years (1 US Dollar = 3.75 Saudi Riyal). *The exchange rate between USD & Saudi Riyal has remained the same regardless of fluctuations in their value against other currencies.*

If the price of the hajj package was in Canadian dollars, Dar El Salam Canada Inc. would have to apply a much higher exchange rate in order to protect against any further decrease in the value of the Canadian dollar. Due to this uncertainty of the Canadian dollar, Dar El Salam Canada Inc. is therefore collecting hajj payments in US dollars, which gives Canadian travellers the best possible price. Payments for hajj are in instalments (as indicated on page 1 under 'Payments'), which offers an opportunity for savings should the Canadian dollar increase in value in the months ahead.
