

IIT ANNUAL SUMMER PROGRAM

SIX WEEKS
OF FUN AND
LEARNING
JULY 2 - AUG 10

ANNUAL DAY CAMP
YOUTH LEADERSHIP CAMP
YOUTH INTENSIVE

Our goal is to provide children (ages 5 to 12) with a summer experience that is exciting and enriching. A place where children can experience the richness, excitement, and warmth of an Islamic environment; a place where children learn the importance of caring, sharing, tolerance, patience, and working with others.

In addition to arts & crafts, recreational and outdoor activities (including field trips), the program will offer Islamic activities based on weekly themes. Our facilities at the IIT, with a huge gymnasium and playing field, prayer facilities and classrooms are ideal for a program of this nature.

The camp also provides the opportunity for university and high school students to gain important skills while they serve as counsellors and volunteers for the program. Just ask the kids who have been coming year after year - our counsellors are young and energetic, responsible and good-natured.

Our Summer Program also includes a special *Youth Leadership Camp* for 13-15 year olds, and a *Youth Intensive - Think, Connect, Lead* program for 16+ with engaging activities that build leadership and critical thinking skills.

REGISTRATION, JOB APPLICATIONS, PROGRAM DETAILS AND COSTS WILL BE POSTED ON OUR WEBSITE WWW.ISLAM.CA AT THE END OF MAY, 2018!
